

About Us

Commencing its business activity in 1986, ELKOMSAN has been active in the fields of Electronics, White Goods, Lighting Luminaires and Cabinet & Enclosure Components' Industries. Since then, ELKOMSAN had worked together and carried out important projects with the leading brand names and companies in these fields in Turkey and the world.

ELKOMSAN Manufacturing Plant equipped with the latest technologies is located in Istanbul, Sancaktepe on covered area of 7.500 m2. All production facilities; plastic injection, zinc-die injection, metal cutting and bending processes, design and manufacturing of moulds are fulfilled at its own facility.

ELKOMSAN, aiming to manufacture innovative, reliable and high quality new range of products has been continuing its investment. To satisfy all their demands of its business partners and the employees, ELKOMSAN has obtained international certificates of quality management ISO 9001, ISO 14001, OHSAS 18001 and national and international quality standard certificates.

We will continue to stand by our products and words with ELKOMSAN brand name. Our values, character, highly qualified and experienced work force make us "reliable business partner" in the field of Cabinet and Enclosure Components, and we will carry it forward every day as our main principle.
